Unisto Targo

Padlock type Security Seal with a Metal Hasp mainly used in the Airline Industry to seal Catering- and Duty-Free Carts. Due to its robust design it is very popular in the Cash-in-Transit sector as well. A unique designed window at frontside of the plastic housing indicates any pre-tampering. One hand closing. User-friendly. Deters opportunistic theft. Removable with bolt cutters. Directly laser marked for added security. Bar-coded for efficient data capture. Various plastic colours for logistical control available.
