

Unisto Varis (Ecograde PP)

Adjustable length Security seal ideal to seal any kind of bags. Produced with the sustainable material Ecograde. Due to its high tensile strength our Unisto Varis is very popular in the Postal and Courier Services sector. Also used for application such as ballot & election boxes, Tote Boxes and Roll Cages. The special calibrated strap avoids undetected cutting. Spikes on the ribbon ensure a good grip to the neck of a bag. Barcoded numbering for fast, accurate reliable data capture and streamlining operations. Various plastic colours available.

Features of this security seal

Type of Seal

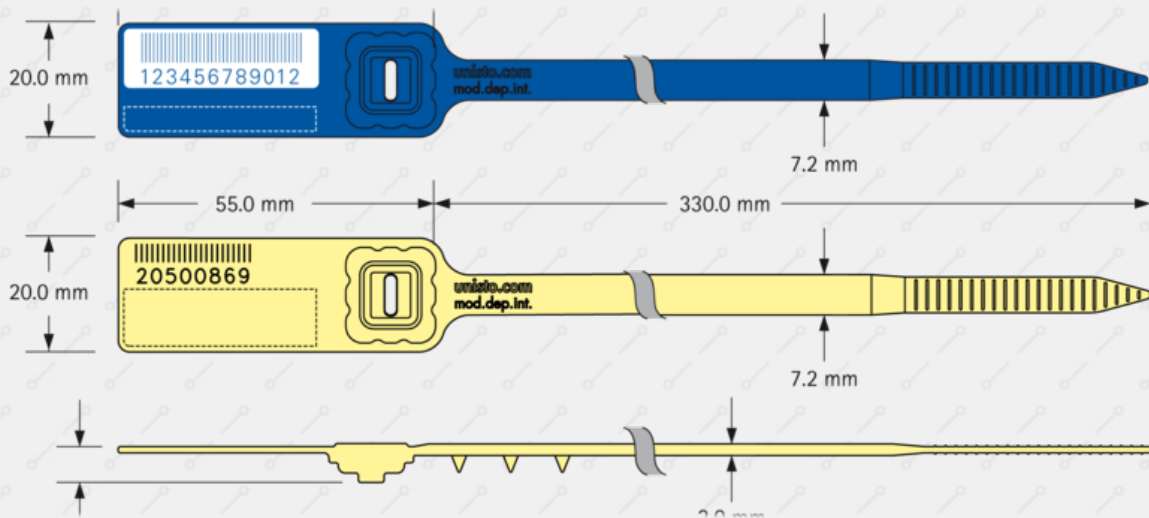

Adjustable Length Seals

Application

Bags, Roll Cages

- › Sustainable security seal
- › Ecograde is made of 100% recycled PP, which comes from production wastes
- › High tensile strength reduces risk of accidental breakage
- › Spikes on the ribbon prevent pulling off the seal from the neck of the bag
- › Calibration in cm on the reverse side makes cutting and welding of the ribbon visible
- › Locking mechanism of stainless spring steel allows pulling tight with as little force as possible
- › Barcoded numbering for fast, accurate and reliable data capture and streamlining operations
- › Various colours for logistical functions
- › Customer name/logo for clear identification
- › Mats of 10 seals allows sequential distribution

Minimum size

Materials

Strap/housing: Recycled polypropylene (PP) Disc: Recycled polypropylene (PP) Locking mechanism: stainless spring steel

Tensile strength (loop)

Approx. 49 kg

Barcoding

Interleaved 2/5 or barcode 128

Customer name/logo

Foil printed

Colours - Barcode directly laser marked

White, yellow, apricot, pink, purple, grey, light brown

Colours - Barcode laser marked off white foil

Dark blue, dark green, red, grey. Other colours available on request

Packing

Mats of 10 pieces, box of 1'000 seals 54.5 x 23.0 x 17.5 cm (0.022 m³), approx. 6.0 kg

Storage

Seals should be stored in original box away from direct sunlight and chemical fumes.

Store at 22°C/50% RH. Typical shelf life of seals made of PP and PA are approx. 18 months from date of manufacture.

Nevertheless please do not order more than an annual quantity.
